the original 1790 enumerations covered the present states of connecticut delaware  
georgia kentucky maine maryland massachusetts new hampshire new jersey new  
york north carolina pennsylvania rhode island south carolina tennessee vermont and  
virginia unfortunately not all the schedules have survived the returns for the states  
of delaware georgia kentucky new jersey tennessee and virginia having been lost or  
destroyed possibly when the british burned the capitol at washington during the war  
of 1812 though there seems to be no proof for this for virginia taxpayer lists made in  
the years 1782 1785 have been reconstructed as replacements for the original returns  
in response to repeated requests from genealogists historians and patriotic  
societies the surviving census records were published by the bureau of the census in  
1907 and 1908 the twelve states whose records were then extant are each covered  
by a single volume

based on reports from american repositories of manuscripts
